

# HEATHER NASH

Heather embarked on her professional journey as a veterinary technician back in 1995 while pursuing her college education in Florida. Relocating to Navasota, she established herself within the local veterinary community, contributing her expertise to numerous clinics in the vicinity. Prior to joining Animal Friends, Heather held a managerial role at a veterinary clinic in Waller, where she dedicated over three years to ensuring the well-being of both pets and their owners. Together with her husband, she embraces new adventures and shares their home with a delightful ensemble of three cats and several ducks. Heather takes immense pride in her role as a mother to two daughters, cherishing the joy of also being a grandmother to one granddaughter.
