

## **Animal Friends donates to shelter**

**Bob Davis, chair of the Animal Friends of Washington County, presents a check for \$5,000 to Rex Phelps, assistant city manager, to be used for the Brenham Pet Adoption Center. The Animal Friends organization has previously donated \$14,000 from their annual fund raiser in support of the new shelter. Part of The Animal Friends' mission is to offer low-cost spay and neuter programs; through their efforts they have greatly helped reduced the negative impact of over-population in the area.**
